

Agricultural Machinery Manufacturers' Association (AMMA-India)

National Body of Agricultural Machinery Manufacturers

Web: www.aiamma.org; Email: ammaindia10@gmail.com; Mob: +91-7387081819

(Registration No. 378 dated 20 September 2010 Under Society Act XXI of 1860)

Office: B-602, The Landmark, Kudasan, Gandhinagar – 382421 (India)

Membership letter

Dear Sir,

The All-India Agricultural Machinery Manufacturers' Association (AMMA-India) was established in the year 2010 on January 17 represents the machinery manufacturers of agriculture and allied sectors. This is the national body of agricultural machinery manufacturers. The main objectives of association are i) augmenting and intensifying agricultural mechanization related activities in different agro-climatic zones, ii) promoting scientific development and technological up-gradation of need based agricultural machines and power sources, iii) providing technological coordination, management and advisory back-up to the members of AMMA-India, and iv) providing effective liaison with Government organizations, NGOs and agencies sponsoring national and international fairs/meets and to establish institutional relations for implementation of appropriate policies and initiatives to promote growth of agricultural mechanization. This is the registered society under Society Act XXI of 1860 with Registration No. 378 dated 20 September 2010. **This association is also member of United Nations – ESCAP - Regional Council of Agricultural Machinery Associations in Asia and the Pacific (ReCAMA).** Presently we have more than 762 members includes tractor manufacturers, power tiller manufacturers, combine manufacturers, and other agricultural machinery manufacturers. You may visit www.aiamma.org for more details.
