Glimpses of

14th Agri Asia[®]

Asia's Prime Exhibition On Agriculture Technology

2025

Highlights of Agri Asia 2025

The 14th Agri Asia Exhibition, held on 18-19-20 September 2025, at Helipad exhibition centre, was a resounding success. The three-day event brought together 200+ agriculture professionals, entrepreneurs, and stakeholders, showcasing the latest innovations and technologies in the industry.

The exhibition was inaugurated by Hon'ble Chief Guest **Shri Dileep Sanghani**, Chairman of IFFCO, in the presence of **Shri Raghavjibhai Patel**, Cabinet Minister for Agriculture & Animal Husbandry, Government of Gujarat; **Shri Shankar Chaudhary**, Chairman of Banas Dairy and Minister of State (Independent Charge) for Urban Housing, Health, Family Welfare, and Transport, Government of Gujarat; Shri Amit Vyas, Chairman of Amul; Dr. Bharat Patel, Chairman of the Gujarat Progressive Dairy Farmers Association (GPDFA); Mr. Sanyal Desai, CEO of Radeecal Communications; along with other eminent dignitaries and key industry stakeholders.

Agri asia has served as a platform for bringing together many national as well as international visitors from **10+ countries** to interact with the leading international agriculture technology companies.

The agriculture expo, held once in a year, is one of the leading international agriculture events of its kind to showcase international agriculture technologies. This agriculture exhibition in india traditionally attracts many stakeholders of agriculture, decision-makers, experts, practitioners and trainers in agriculture, as well as thousands of visitors from all around the globe.

CONFERENCE & SEMINAR 2025

Cow Competition

Agri Asia features Gujarat's premier Cow and Buffalo competition, along with a live cattle show. Various breeds, including **Gir Cow, Gir Heifers, Gir Bull, HF Cow, Kankrej Cow, Jafarabadi Buffalo, Jafarabadi Heifers, Banni Buffalo, and Mehsani Buffalo** will compete in events such as Milk Production and Pure breed competitions. Winning animals will receive trophies and cash prizes. In the first edition, the event has garnered significant appreciation from farmers, ensuring its growth in the years to come.

The Agri Asia will feature an **Agriculture Conference & Farmers educational Seminars** alongside knowledge-sharing sessions. The conference will showcase prominent speakers with expertise from both India and around the world, covering a range of topics relevant to various regions. Attendees will **include farmers, scientists, students, researchers, and government officials**, all contributing to this prestigious gathering.

Advantage Gujarat

Gujarat has long been considered as one of the most progressive states, Situated on the western coast of India .

Gujarat is endowed with abundant natural resources in terms of fertile land, river systems, good soil and climatic conditions in many parts of the state and good support in terms of input industries and most importantly, enterprising people and technical talent. These many advantages contribute significantly to Gujarat's vibrant agricultural sector.
